### Variety - the children's charity of Queensland

Variety - the Children's Charity of Queensland is dedicated to empowering kids who are sick, disadvantaged or who have special needs to LIVE, LAUGH and LEARN.

Throughout 2011 we were able to have a positive effect on the lives of over 55,000 children in need, providing equipment and services with a value in excess of \$2.7 million to families and communities across Queensland.

However the need is still great. We receive around \$250,000 worth of appeal requests every month and rely on your generous support to continue.

Variety – the Children's Charity of Queensland receives no direct government funding.
